The Elections.

As our readers have been apprised, the Republicans carried Indiana at the State election last week. This result was obtained through such means as robs the "victory" of all that should make it desirable to the winning party. For two years the Republicans had been colonizing negroes in the State, and when the campaign arrived the whole influence of the national party was thrown against the Democracy. Millions of money, thousands of repeaters, plug uglies and negroes were shipped to the larger towns. Voters were bought, if purchasable, scared out of their Democracy, if timid, and coerced if in the employ of monopolists. These causes have brought us temporal defeat in Indiana, but we have no reason to be discouraged. The Democratic vote in that State is this year nearly six thousand greater than it was four years ago, and with Hancock to be voted for, we are certain to carry it in November. New York is sure; so are New Jersey and Connecticut. Colorado, Oregon and Nevada are at least as probable to go Democratic as Republican. With Indiana, all we need is New York, without it, New York, New Jersey and Connecticut.

Then, on with the fight, and Victory is as certain as the sun shall rise on the 3d of November!

Read Gen. Hancock's letter, published on our first page. It will silence the Radical lies that are being circulated against him and the Democratic party. Gen. Hancock is not in favor of Free Trade; neither is the Democratic party.

Mistakes Should Be Corrected.
Particulars of the practice of taking medicine into the system by way of the stomach for diseases of the kidneys. It is an old treatment, well tried and proven inefficient. The true method is absorption, as proven by the great success of Day's Kidney Pills.

I had no faith in your mode of treating diseases of the kidneys until I tried it, and cured myself of a complaint that the doctors pronounced incurable. These are the words of thousands who use the Day Kidney Pills.
